Here are a few things to know about our church:

We believe in grace. We believe in the forgiving grace of God. We also believe in extending grace toward one another. That means that we can be authentic about who we are and the things about which we struggle. In a world that admires getting ahead, we believe Christ is the one who makes us whole. We are all equal in our need for him. There are many places in our church life where you can receive and extend grace - retreats, small groups, worship services, Sunday School classes, mission trips, ministry opportunities.

We love to study. We have several Bible Studies being taught both in the evenings and in the day time. Some are topical: others focus on a particular part of Scripture. You don't need to be a member of our church to join any of our studies.

We love kids! We feel very strongly about providing for our children and youth everything they need to develop a strong faith and be equipped to face the world. Our children's ministry uses a variety of ways to instill the Word of God into the heart of a child. It dramatically shapes a child's life and—it is just plain fun!

There is a place for you. It doesn't matter where you have been or what you have done. You may feel far from God or closer than you have ever been. If you do not have a church home, we invite you to be a part of what God is doing in us and through us.

Please join us one Sunday!
