

WELCOME!

We continue to hold you in prayer as we monitor the CDC and City guidelines. We are doing everything that we can to consider those outside the walls of our congregation as well as those who worship here frequently. Please do everything you can to keep yourself and others safe and healthy.

For those of you who find placing your tithe and offering in the offering plate meaningful, you are welcome to drive by after the service and drop your gift off. An usher or Pastor McClain will be in the covered driveway from about 10:00 until noon.

We thank you for joining us for our online services these past few weeks and we look forward to the upcoming weeks of online services during our stay at home status. Your support of our church is appreciated and a blessing.

Sunday worship services:

1. We will be "Live Streaming" the 8:15 service through Facebook www.facebook.com/windcrestumc/ again next week and posting the recording for those who want to watch. The service will all be posted on our the Windcrest United Methodist website <http://windcrestumc.org/church-services> and Windcrest United Methodist Church YouTube. There will be no service at 9:30 or 11:00.
2. If you know someone who does not have internet access, have them call the office and we will make every effort to get them a DVD as soon as possible after the service.

We ask that you respect the CDC Social Distancing guidelines.

Giving of Tithes and Offerings is an important part of the worship experience and there are several ways you can do that from home as well. Click on the "Learn More" button on your screen if you are watching the Face Book Stream or go to <http://www.windcrestumc.org/onlinegiving>
